

gaugin could put paint in the wrong places.  
van gogh asked the sunflowers to explain one time too many.  
leonardo could never finish his mother.  
michelangelo sought the smells of a workman.  
sappho was trapped in the afterwards.  
magritte was the cigar.

at night  
catherine danced in galveston area dance bars  
with men who would always be strangers  
and had to be gone  
before her daughter woke up.  
she had many lovers inside her body  
before she died.  
she could never explain the loneliness.

before she died.
