shut the door.
close the window.
at night
in dreams
what is shut out is already within
what is closed has been open too long to be closed.
hoarse monsters and domestic gods in their
crazy migration outside of our geography….
during the day the now moves in the archaic.
during the night the archaic moves in the now.
fear and wonder.
red ochre.
collected seeds.
dislodged animal teeth.
extracts of plants.
spirit exchange.
spirit medicines.
cooking fires.
restoration and resurrection.
renunciation.
reconciliation.
time out of control.
how do you live in a wandering mind where things want
to be themselves.

things want to be themselves.
